

HB 1100 -- FOOD PREPARED FOR CHARITABLE PURPOSES

SPONSOR: Fraker

This bill allows a nonprofit organization to prepare food in a private home or other area for distribution to the end consumer at a charitable fundraising event.

The nonprofit organization must inform the consumer by placing a clearly visible placard at the serving location that states the food was prepared in a kitchen that is not subject to regulation and inspection by the regulatory authority.

Also, the nonprofit organization may notify the regulatory authority in writing or via email prior to the beginning of the event. If made, the notification must include the name of the nonprofit organization; date, time, and location of the event; and the name and contact information of the person responsible for the event.

The bill does not apply to a food establishment that is regulated by the Department of Health and Senior Services that provides food for the event.

These provisions do not apply to Jefferson County, St. Louis County, St. Charles County, or the City of St. Louis.
